Saint-Martin Grand Case Airport: A Regional Airport in the heart of the Caribbean Islands!

The tiny French-Dutch island of Saint-Martin, covering just 88km², is located **between the Atlantic Ocean and the Caribbean Sea, just minutes away from Saint-Barth Island**. Much more than a beach-lover's paradise, the island of Saint Martin is teeming with natural, cultural and human riches.

A wide range of Tourism Activities

Thanks to its sweet climate and untouched natural heritage, the island offers unparalleled year-round water sports and outdoor activities. The capital of duty-free shopping, St. Martin is also renowned for its friendly welcome, culinary delights and lively nightlife.

High-Standard Hotels

St. Martin has a recent hotel infrastructure, with a majority of superior 3-star and 4-star hotels, mainly located on the beach and coastal hills. All the hotels offer high quality standards of service and hospitality.

A modern gastronomy and a lively nightlife

St. Martin has established a worldwide reputation for its fusion cuisine, and it shows no sign of stopping. Also, Night-time activities reign supreme on the island all year round.
